

Sprint Planning/Progress Update

- We have completed the tasks for Sprint 1(15%), which are.
 - UI/UX Base
 - HTML Files
 - CSS Files
 - The pages for our website
 - The connection for the websites
 - Adding buttons for functionality

These are still carried over for the next sprint as they are not final and need changes, these are still base, so they are subject for change. We still need to connect the websites though.

- The tasks and assignments for the next Sprint are.
 - UI/UX
 - Changing the files to PHP
 - Adding Functionality (Buttons, Log in, etc.) JavaScript
 - The connection for the websites
 - Make simple database (phpMyAdmin, SQL)
 - Optimizing code

These are the tasks and assignments for our next Sprint.
