DEAR DIARY

# USER STORY

# 'happenings'

**As a user**

who loves to document  
life

**I want to**

create an account for personal  
space

**so that I can**

start to input my notes

# 'experiences'

**As a user**  
who loves to document life

**I want to**  
update and delete my notes

**so that I can**  
be at my most comfort to  
modify my notes

# adventures

**As a user**

who loves to document life

**I want to**

add texts and images to my  
notes

**so that I can**

design and make my notes look  
satisfying

**As a user**

who loves to document life

**I want to**

display my emotional status and  
current mood

**so that I can**

express my feelings and the thoughts  
that I want to put on my notes

escapades

**As a user**

who loves to document  
life

**I want to**

put motivational quotes on my  
desired notes and data sorting

**so that I can**

offer an inspiration and tag my  
memorable notes.

**'enjoyment'**
